

Getting started

Want to return to teaching but don't know where to start?

Need help with deciding what to do next?

The "Getting started" section gives you a series of information sheets you can download and read in your own time. The links below will take you to information that can help you understand the system better, and so make decisions right for you . It is a good idea to look at each section in turn.

[The education system](#)

[Training options](#)

[Applying to university and initial teacher training](#)
