

Submit an event or course

Send us details of your own training course, seminar or other event.

Do you have an event, campaign or training course you would like to advertise?

You can put it our online diary for free. Please read our [terms and conditions](#) to find out what you need to include.

You must fill in all the fields marked with an asterisk (*) for the form to be submitted. If your event is during Refugee Week (16-22 June 2008), tick the box and your event will appear on our website and the Refugee Week website.

About your event

This information will be inputted into a database that visitors to the website will be able to access by searching different fields. Please ensure that you enter information as accurately as possible. You must fill in the highlighted fields in order to submit your event.
