

## Getting into schools

This section gives you an overview on your routes into schools

There is also more information on how refugees can become teachers in the ['Getting Started'](#) section.

### [Routes into teaching](#)

There are various routes into teaching in schools and working towards QTS in the UK. We give an overview of some here.

### [Voluntary experience and work placements](#)

Information on what the Refugees into Teaching project can provide.

### [Teaching job sites](#)

More and more people are using the Internet to recruit staff or to search for their next post due to its ease-of-use, speed and obvious cost-savings. Find jobs in teaching through specialised websites which advertise them.
